FAQ

How do I make my arrangements?

Select your date, give us a call at 020 7837 6648 and let us take care of everything. You will need to complete a short form and submit some required documentation.

Are there any calendar restrictions?

This offer is only good for Monday to Thursday bookings. Winter bookings are from 1 October to 31 March; summer bookings are from 1 April to 30 September. All requests are subject to availability.

What are the insurance requirements?

You must be over 25 years of age, have fewer than 6 points on your license and no major accidents in the past 3 years. If you are not sure you will qualify, give us a call - we will come back with a positive response more often than not. If you have already purchased the experience but fail to meet insurance requirements, we will fully refund your money.

When and where can I collect and return the cars?

You can collect and return your car at either of our London locations in Kings Cross and Park Lane. Delivery and collection at other locations is available for an additional fee. You can collect the car after 11 am on the morning of your experience and return it before 9 am the next day. If you would like earlier collection or later return ask us - we will try to accommodate your request if possible.

Can I substitute for other cars?

Sure, provided we have other cars available. Let us know and we will look to accommodate your preferences. Additional charges may apply.

Can I take a different route to The Grove? Can I drive elsewhere?

The car is yours to keep and do what you want with during your éX day (subject to rules and restrictions). Your experience includes 150 miles; additional mileage is charged at £1.50 per mile.

Are there any other charges?

All prices include VAT. Refueling charge may be applied if the car is returned with less than a full tank of petrol. There is also a £5,000 credit card deposit required at the time of the booking, fully refundable upon car return, minus any damages.

What is écurie eXperiences?

éX is a supercars, super-experiences company. Cars and experiences are courtesy of the same team that manages écurie25 (www.ecurie25.co.uk), London's premier supercar club, and our various hospitality partners.
